## Mentorship Programs at Albuquerque School of Excellence

Albuquerque School of Excellence (ASE) is offering a voluntary mentorship program designed to help qualified students improve their skills in:

- **Social Networking:** Inviting guest “ ” Major speakers to present what “ ” Major really is!
- **Academics:** Checking your child’s grades to reach their dreams to pursue “ ” Major!
- **Extracurricular activities:** Finding out what Graduation Requirements and Leadership skills “ ” Major requires in college!
- **Personal development:** Asking students to present soft skills for “ ” Major and good citizenship! Be nominated and elected for President, Vice President, Secretary or Treasury of the “ ” Major mentoring program.

We believe that students within a collaborative and cooperative environment will excel at academics while reaching their full intellectual, mental, physical and emotional potential. ASE is a committed long term interactive mentor-mentee relationship which will help the students` achievement, improve their social skills and enhance the student’s probability of acceptance into top ranking colleges and universities in the Nation as well as around the world.

**The mission of these mentorship programs** is to provide the academic and social opportunities high achievers in quest of higher education need in order to develop leadership and teamwork skills. Things such as these are vital to the real world experiences that they will face outside of high-school. **The vision of these mentorship pograms** is for every student to perform above and beyond their highest potential and be accepted into exceptionally ranking universities around the nation as well as in other countries.

Your child’s mentor teacher is expected to perform a home visit per one academic year, one parent conference in each semester and one student conference in each semester to realize the mission and vision of the mentorship programs.
