The mission of **Albuquerque School of Excellence** is to provide a safe and collaborative environment which will cultivate the academic and social development for all students regardless of their socio-economic status by emphasizing math, science, and technology for the purpose of students setting and meeting higher education goals.

The vision of **Albuquerque School of Excellence** is to enable students to succeed in school and have options to enter math, science and engineering careers. ASE is a college preparatory charter school focusing on math, science, and technology. Members of ASE believe that excelling in math and science prepares youth to succeed in college, the workplace, and the 21st century.
