

Albuquerque School of Excellence

Dear Parents,

We are excited to announce that our students will receive their choice of several great prizes and a chance to win an Apple iPad mini, just for helping us spread the word about our school's participation in SchoolStore.

SchoolStore.com is an online shopping mall with over 400 merchants including Sears, Target, iTunes, Wal-Mart, Disney Store, Family Book Store, and many more. When your family and friends make everyday purchases from their favorite merchants, our school earns money.

Please help your child address email invitations to your family and friends to let them know about this easy way to support our school. Your child will receive a FREE participation prize (*see below*) for sending at least 3 email invitations. Other valuable prizes can also be earned when family and friends make purchases from the Family Book Store.

The email addresses you provide will be used for this program only and will not be shared or used for any other purpose.
