D.E.A.R. (Drop Everything and Read)

D.E.A.R. is a 30-35 minute period in each child's daily schedule that is dedicated solely to silent, sustained reading. This year, the students will be reading assigned books together as a grade level. Students will be provided a reading calendar at the beginning of each quarter and will be responsible for keeping up with the reading. Students will be given regular assessments and check-ins about the reading, and will engage in classroom discussions with their homeroom teacher. This reading will be in addition to their English curriculum.

Please be sure that your child has a copy of each of the assigned books for their grade-level.
