AFTER SCHOOL PROGRAM **POLICIES**

Afterschool care starts at 2:45 and ends at 5:30 pm. Students will be supervised inside from 2:30-5:30 PM. After 5:30 PM, there will be no supervision by ASE staff and students will not be allowed to stay in the building. ASE is not responsible for students that are not picked up after 5:30 PM. The payment for August is due at the registration. August & December payment will be half of the regular fee. Payments in cash will not be accepted. Please make your payments by check or money order only. Payments must be submitted to the office by the 3rd day of each month. Please make checks or money orders payable to ASE Afterschool Program. Please include your child's name on the check or money order. If the fee is not paid by the 5th day of the month, this may result in the termination of after-school enrollment. In the event of termination, parents are responsible to implement a pick-up plan for the student by 2:45 PM. After school program will not be available on days the school is closed, or early closings due to inclement weather. After school program is intended to be a study hall for the student. Students are required to bring their materials. Students in aftercare program are expected to remain quiet and work independently for the entire time.

PICK UP POLICY

Parent/Guardian must sign out the student at the front office. Your child will be supervised inside until 5:30 PM. After 5:30 PM, there will be no supervision by ASE staff and students will not be allowed to stay in the building. ASE is not responsible for students that are not picked up after 5:30 PM.

EMERGENCY CARE

If I or any other emergency contact person cannot be reached I give permission to ASE to arrange emergency care for my child. I authorize the ASE(ASP) to use the closest medical facility and grant permission for the medical facility to provide medical care.

DISCIPLINE POLICY

The purpose of a discipline policy is to facilitate a positive after-school climate where each student feels safe and secure. ASE student code of conduct will apply to the after school program. Parents will be informed of their child's behavior and are encouraged to support the school's decisions. Students will be provided with opportunities to grow in personal and social development and, if they are involved in a discipline concern, are given due process. Rules and regulations outlined in the Student Handbook will be applied to the After-School Program and all students enrolled in the After School Program are expected to obey them. If a student fails to do so for the first time, the parent will be informed and the student will get a warning. If the office receives another discipline referral from the same student then a parent conference will be held and the student will be suspended from after school program for one week. If the third discipline action happens, student will be expelled from the After-School Program and he or she may not enroll for the current academic year.
