Dear Parent/Guardian

Prepare your child for success in college and beyond with this exciting combination of hands-on STEM activities, ACT exam prep, and college and career workshops led by expert facilitators. Explore your child strengths and opportunities for college potential, with a special focus on pathways to STEM careers. Designed especially for Albuquerque School of Excellence students—gear up for your child’s future now—at UNM!

Middle school students (age 12-14) will have Coding session in the mornings whereas High School students (ages 15-17) will have both Coding Session and ACT Prep Session.

High School students with low-income (Free/Reduced lunch) is eligible for \$100 STEM Title I Scholarship: they must submit an essay to Dr. Orsun why they choose STEM field and they would like to attend this camp by May 5.

Table with 10 columns: Date (5/22/2017 to 5/26/2017) and Activity. Rows include Intro and welcome, Campus tour, ACT Prep, Coding, Lunch, Parent Presentation, Career service/admissions day, Honors College day, Engineering tour day, GEO (global ed) day, Student panel day.

KEY table with 2 columns: Color and Description. Rows: Blue (Both groups), Orange (High School), Yellow (Middle School).

If you have any further question, please don't hesitate to call, e-mail us at ed101@abqse.org or call ext 306. Please keep the upper portion, sign below, and have your child to return it to FRONT OFFICE.
